

Medicare 101

A Medicare Scholar Presentation

Agenda

- Who is eligible for Medicare?
- Coverage Options
- Where can I enroll?
- Next Steps
- Questions?

Who is eligible for Medicare?

Must be a U.S. citizen or legal resident for at least 5 consecutive years **AND** one of the following:

- Age 65 or older
- Under 65 with a qualifying disability
- Any person diagnosed with end-stage renal disease or ALS (Lou Gehrig's Disease)

Coverage Options

PART A

PART B

PART C

PART D

MED SUPP

Original Medicare

Original Medicare

Hospital Insurance

- Inpatient hospital care
- Inpatient mental health care
- Skilled nursing services
- Hospice Care
- Some blood transfusions

PART A

Original Medicare

Costs

- Premium-free if you have worked 40 quarters
- \$1,556 deductible in 2022

Coverage

- Stays of more than 60 days have daily copays
- You can utilize any hospital that accepts Medicare
- Hospital coverage outside of the U.S. usually isn't covered

PART A

Original Medicare

- Physician services
- Outpatient hospital services
- Ambulance
- Outpatient mental health
- Laboratory services
- Durable medical equipment (wheelchairs, oxygen, etc.)
- Outpatient physical, occupational and speech-language therapy
- Some preventive care

PART B

Original Medicare

Costs

- You pay 20% of Medicare-approved costs
- Annual deductible - \$233 in 2022
- Monthly premium – adjusted based on your income and may be higher if you sign up after your initial enrollment period

Coverage

- Physicians who accept Medicare
- Some preventive healthcare is provided

PART B

PART A

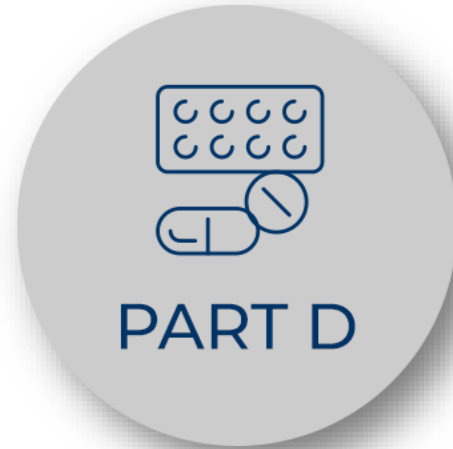

PART B

Original Medicare

What's not covered?

- Part A and Part B deductibles, coinsurance, and premiums
- Part B excess charges
- Outpatient prescription drugs
- Additional benefits such as hearing, vision, and most dental
- Long-term care or custodial care

Prescription Drug Plans

Prescription Drug Plans

Helps with the cost of prescription drugs

- Only offered through private insurance companies
- You must continue to pay your Part B premiums
- For medications you receive from a retail or mail-order pharmacy

PART D

Prescription Drug Plans

Costs

- Coverage varies from plan to plan
- Catastrophic coverage protects you from high drug costs
- Benefits can change year-to-year

Enrollment

- Coverage is not automatic
- Penalties may apply if you enroll late

Coverage

- Each plan has a list of drugs it covers called a formulary
- List of drugs can change throughout the year

PART D

Prescription Drug Plans

Part D Formulary

A formulary is the list of drugs covered by a Part D plan

- All plans have a tiered formulary
- Generally, the lower the tier, the lower the out-of-pocket cost

Formulary Tiers

Tier 1	\$
Tier 2	\$\$
Tier 3	\$\$\$
Tier 4	\$\$\$\$
Tier 5	\$\$\$\$\$

Coverage Stages

**Annual
Deductible**

Not all plans have a deductible

**Initial
Coverage**

Up to \$4,430

**Coverage Gap
(Donut Hole)**

Up to \$7,050

**Catastrophic
Coverage**

Through the end of the plan year

The coverage cycle starts over on January 1st of each year.

2022 Cost Sharing for Part D

- Annual Deductible – up to \$480 (not all plans have a deductible)
- Initial Coverage Limit - \$4,430
- Coverage Gap or Donut Hole – You pay 25% for covered drugs
- Catastrophic Coverage - \$7,050 and above. Drug copays are reduced to:
 - Generics - \$3.95 or 5%, whichever is greater
 - Brands - \$9.58 or 5%, whichever is greater

Medicare Advantage Plans

Medicare Advantage Plans

- Combines both Medicare Part A and Part B, may also include prescription drug coverage
- Offered by private insurance companies
- Often include additional benefits above and beyond Original Medicare – varies by plan

PART C

Medicare Advantage Plans

Eligibility for Part C

- Must be enrolled in Medicare Part A and Medicare Part B
- Must live in the plan's service area (county based)
- Must be able to make an informed decision

PART C

Medicare Advantage Plans

Costs

- Plan premiums and benefits can change year-to-year
- Must continue to pay your Part B premium

Coverage

- Many plans include prescription drug coverage (Part D)
- Coverage can be limited to a service area – unless it's an emergency
- May be required to use a network of doctors and hospitals
- May include additional benefits above Original Medicare (varies by plan)

PART C

Medicare Advantage Plans

Types of Part C Plans

Coordinated Care Plans

When can I enroll?

Medicare Initial Enrollment Period

The month you turn 65 years old

3 months before

3 months after

What if I work past age 65?

If working past age 65

- You may enroll in Parts A and B
- Recommended that you speak with your benefits administrator
- Keep records of your health insurance coverage

Enrollment after age 65

- When retiring, you may be eligible for a Special Enrollment Period (SEP) that may allow you to:
 - Enroll in Original Medicare for up to eight months after the loss of employment or employer coverage, whichever happens first
 - Enroll in a Medicare Advantage or Prescription drug Plan for up to two full months after loss of employer health benefits

New to Medicare

Working beyond 65: Fewer than 20 employees

65th birthday month

3 months before

3 months after

Medicare Supplement Open Enrollment

Your eligibility begins

65

This period lasts for 6 months and begins on the first day of the month in which you're both 65 or older and enrolled in Medicare Part B.

Additional Elections

- Annual Enrollment Period – October 15th through December 7th, plans begin January 1st
- Open Enrollment Period – January 1st through March 31st. May change from one Medicare Advantage to another, or back to Original Medicare with or without Part D coverage
- Special Enrollment Periods – examples include moving into a new area, discontinuation of your current plan, receiving skilled nursing care, or low income/Medicaid

Next Steps

1. Review enrollment periods
2. Research your options
3. Ask questions/seek help
4. Enroll
5. Yearly review
